

2nd Grade Choice Board

Students: Enjoy your day while not at school. Your mission is to complete at least **5 things** on this board.

This sheet is due to your teacher one week from today or you will be counted absent. Have fun!!

<p>Show 326:</p> <table border="1" data-bbox="138 467 478 605"> <thead> <tr> <th data-bbox="138 467 254 532">Hundreds</th> <th data-bbox="254 467 369 532">Tens</th> <th data-bbox="369 467 478 532">Ones</th> </tr> </thead> <tbody> <tr> <td data-bbox="138 532 254 605"> </td> <td data-bbox="254 532 369 605"> </td> <td data-bbox="369 532 478 605"> </td> </tr> </tbody> </table>	Hundreds	Tens	Ones				<p>Describe today's weather in 2 sentences.</p> 	<p>Play outside!</p> 	<p>Make your bed and brush your teeth.</p> 	<p>Read a book. How did it begin and end?</p> 
Hundreds	Tens	Ones								
<p>Put a puzzle together.</p> 	<p>Your CHOICE! Write what you did:</p>	<p>Find three things to measure using inches. Find three things to measure using centimeters.</p>	<p>Create a picture using only triangles and circles.</p> 	<p>Use a laundry basket and toss a sock ball inside. How far away can you stand and still make it in the basket?</p>						
<p>Read a nonfiction book. Who or what was it about?</p> 	<p>Make a musical instrument.</p> 	<p>Use a deck of cards to practice addition and subtraction.</p> 	<p>Make a timeline of your life (include 5 events)</p> 	<p>Find a few coins. Add them up and draw a picture to represent your work.</p> 						
<p>Create a picture using only the primary colors.</p> 	<p>Write 5 subtraction problems and solve.</p> 	<p>Run up and down your driveway 5 times.</p> 	<p>Write, then read 5 words with r-controlled vowels: /or/, /ar/, /er/</p>	<p>Your CHOICE! Write what you did:</p>						
<p>Write a sentence or draw a picture telling me how you're feeling today and why.</p>	<p>Listen to your favorite song and dance!</p> 	<p>Write 5 facts about something you like.</p> 	<p>Play with your siblings or friends.</p> 	<p>Guess how long it will take an ice cube to melt? Time it to check your guess.</p>						

Pick a Math Activity!

- Pick two playing cards and use cereal pieces or macaroni to make a model of an addition or subtraction fact.
- Play *Fact War* by splitting the cards into two piles. Each player flips two cards over, and the player with the greater sum/difference keeps both cards.
- Pick two cards and draw a picture to show an addition or subtraction fact.
- Write a word problem to go with a fact. For $3 + 2$, you might write "There were 3 brown dogs and 2 white dogs. How many dogs were there?" Then solve your word problem.
- Spread out all the cards on the table. Say a sum/difference and have your child use the cards to make the fact that goes with it. For example, you say "5" and your child might choose $3 + 2$ or they may choose $9 - 4$.
- Play *What's Missing*. Read a fact to your child with one number missing. Have your child tell you what number is missing. For example, $? + 5 = 10$. What number is missing?

For something different, you could use dice instead of playing cards!

Other Resources to use at home:

BLOG site of the MEDIA SPECIALISTS, Mrs. Seeger and Mrs. Waltman

There are lots of great things to do within these links!!
