### Multi-Sport Participation

Students who are currently registered for another fall program that wish to participate in football or volleyball will be asked to discuss their situation with the activities office and their coaches. As a district we understand the difficult situation that students may be put in and will do our best to accommodate student needs.

### Junior High Football/Volleyball

At this time we plan to offer a junior high football (grades 7-8) or junior high volleyball program (grades 6-8). The seasons will run 5 weeks (*October 5<sup>th</sup> – November 6<sup>th</sup>*) and will be mostly in-house. We will build in two games for football and three or four volleyball matches (with the exception of 6<sup>th</sup> grade) at the end of the season. The practices will likely be in the evenings as after school transportation will not be available. More information regarding seasons specifics and registration information will follow as we can provide it.
