For Immediate Release:

The Minnesota State High School League (MSHSL) Board of Directors, included with this fall athletic season, an approved Spring and Fall Training Season for programs that have been impacted by Covid-19. ALHS will not be offering any spring sport MSHSL Training Season this fall. We will be offering Fall Training Seasons for 9-12th grade football and 9-12th grade volleyball.

These training seasons will run 9/14/20 – 10/3/20 and will not conflict with any of our current fall programs. The practices will at later evening times and sports currently in their competitive season will take priority when it comes to practice times, locations, and competition.

ALHS will open registration for the fall training seasons on Monday, 8/24/20 and more information will be available about framework, practice times, and locations at that time. A link to our online registration (via Family ID) can be found from our district website at www.alschools.org under our High School Athletics and Activities page (again, available Monday). There will be no fee for the Fall Training Season.

The Fall Training Season is defined as an extension of the volleyball and football seasons, and the remainder will be played in the “flex” season, or as the MSHSL described, a “fourth” athletic season later this spring. There will be a normal registration fee for the flex season in the spring. Please contact your football and volleyball coaches for more information.

As always, thank you for your support especially in these difficult times!
