*November 10th, 2020*

As Albert Lea Public Schools transition to a distance learning model, here are some important pieces of information for the time period November 18<sup>th</sup> – December 6<sup>th</sup>.

- No ALHS or SWMS games/events.
- No ALHS or SWMS practices.
- No Albert Lea Public School buildings will be utilized for high school, middle school, youth, club, or community activities.
- No facility reservations will be accepted. Any current reservations for that time period are canceled.

By December 3<sup>rd</sup>, Albert Lea Public Schools will announce how we will move forward with plans for the week of December 7th. At that time expect further communication from Albert Lea Public Schools.

**What this means for fall activities:**

- Football season will come to an end on November 17<sup>th</sup>. All games prior to that are still on as scheduled and we have not ruled out a playoff experience at this time.
- Volleyball season will come to an end on November 17<sup>th</sup>. All games prior to that are still on as scheduled (with the exception of November 10<sup>th</sup> game which was cancelled due to weather). The volleyball playoff start date is after our change in learning models occurs. This means there will not be a postseason experience for our volleyball team this year.
- We will communicate other plans/changes in the meantime as we work through the end of the fall season.

**What this means for winter activities:**

- Season may be shortened as MSHSL has guidelines regarding minimum practices prior to competition. The extent of the cancellations will be based on our return date.
- Winter programs that have began practice will stop workouts and gatherings starting November 18<sup>th</sup> and will return when we are cleared to begin activities.
- All other winter activity registrations will remain open until we are cleared to begin activities.
