Re: Head Boys Tennis and Robotics Positions

We are very pleased to announce Jennessa Runia-Bade as our next Head Boys Tennis coach.

Jennessa has been teaching and coaching in Albert Lea since 2018.

Ms. Runia-Bade graduated from Gustavus Adolphus College with a B.A. in Biology and coached the club tennis program. She has also earned her master's degree in teaching through the University of Southern California.

She has been the head coach of the ALHS Girls Tennis team for the past two years and will now run both the boys and girls programs.

Jennessa resides in Albert Lea with her husband Leif. She will bring a wealth of knowledge and experience to this position and we're very excited for this hire.

We have also hired Justin Jenson for our head Robotics Advisor position. Justin has volunteered with our Robotics program the last five years and is a certified mentor through First Robotics.

Justin is an ALHS graduate. He resides in Albert Lea and is owner of Jenson Autobody.

Justin will be a great addition to our team and we're excited to get started!

Sincerely,
